

LES CLASSES DE 3ème

We will review the last few countries we studied. Let's get started.

During this school year, you have come across countries, cities and states in your textbook. You will have to produce a brief presentation in writing on each one of them.

The countries, cities or states are the following:

- Buffalo country (Dakota, Montana, Wyoming)
- New-York
- Liverpool and Manchester
- Louisiana
- Canada

In your presentation, you need to bring forward the following elements: the positive and negative aspects of each place, the culture, the history, life before and after and the main attraction. Go to your textbook for more information.
